## From the President

Ruth McCandless

2016-2017 Theme:  
*Community*

Happy New Year Everyone!

It was great to see such energy from our program performers last month. Let's take that and tap (clog) our way into an active February Heart Health Month. Our program guest from Weatherford Medical Center will speak to us about keeping our physical hearts healthy. Our new bowling activity group will help us to keep moving as well as keep us connected to each other.

There are many ways to bond and working together we can keep each other's emotional hearts warm. Have a Happy Valentine's Day!

### Thought for the Month

Three grand essentials to happiness in this life are something to do, something to love and something to hope for.
