## From the President

Ruth McCandless

2017-2018 Theme:  
*Exuberance*

Ladies, you outdid yourselves at the last meeting. I wish to thank all of you who participated in putting the table decorations together and everyone who took part in the activity presentations. We certainly got a nice overview of what we do as a club. There are still a few activity groups who were not able to present at the last meeting and will speak to us this month.

Speaking of this month, we are in the middle of winter and have had some actual winter weather. Our program for February should warm our hearts and provide some wonderful entertainment. We will be listening to a professional vocalist and a romance novelist. What fun! Be sure to sign up at the February meeting for some or all of the activities that will take place during the Women's Week Celebration (March 5-9). Some of our activities have a limit on the number of participants due to the venue so make sure you sign up ahead of time. I look forward to the creative valentine decorations and great social time together.

See you at the February meeting.

### Thought for the Month

Never regret a day in your life: good days give happiness, bad days give experience, worst days give lessons, and best days give memories.
